

Bruce M. McEnroe

Position: Professor, Associate Chair and Director of Graduate Studies
Department of Civil, Environmental and Architectural Engineering
University of Kansas

Office: Department of Civil, Environmental Engineering and Architectural Engineering
1530 W. 15th Street
University of Kansas
Lawrence, KS 66045
Tel: (785) 864-2925
Fax: (785) 864-5631
E-mail: mcenroe@ku.edu

Education: B.S. in Civil Engineering, University of Kansas, 1976
M.S. in Mechanics and Hydraulics, University of Iowa, 1978
Ph.D. in Engineering, University of Kansas, 1983

Professional Licensure: Professional Engineer, Kansas, since 1984

Employment:

Professor, Department of Civil, Environmental and Architectural Engineering, University of Kansas, Lawrence, Kansas, 1996-present.

Associate Professor, Department of Civil and Environmental Engineering, University of Kansas, Lawrence, Kansas, 1990-1996.

Assistant Professor, Department of Civil and Environmental Engineering, University of Kansas, Lawrence, Kansas, 1987-1990.

Assistant Professor, Department of Civil Engineering, Kansas State University, Manhattan, Kansas, 1983-1987.

Research Civil Engineer (IPA), Environmental Laboratory, U.S. Army Engineer Waterways Experiment Station, Vicksburg, Mississippi, May 1986-July 1987 and May-August 1989.

Graduate Teaching Assistant, Department of Civil Engineering, University of Kansas, Lawrence, Kansas, August 1980-1981.

Hydraulic Engineer, Hydraulic Analysis and Design Section, Harza Engineering Company, Chicago, Illinois, November 1978-May 1980.

Teaching-Research Fellow, Institute of Hydraulic Research, University of Iowa, Iowa City, Iowa, August 1976-July 1978.

Honors and Awards:

Bellows Scholar Award, KU School of Engineering, 2011

Teaching Achievement Recognition Award, KU Center for Teaching Excellence, 2010

HOPE Award nominee, 2008

Miller Scholar Award, KU School of Engineering, 2008

Best Technical Note Award, *Journal of Hydrologic Engineering*, for “Sampling Adjustment Factors for Rainfall Recorded at Fixed Time Intervals,” by C. B. Young and B. M. McEnroe, 2005

Miller Scholar Award, KU School of Engineering, 2005

Fellow, American Society of Civil Engineers, 2003

Miller Scholar Award, KU School of Engineering, 1999

1989 Paper Award from the American Society of Agricultural Engineers for paper “Hydraulics of Perforated Riser Inlets for Underground-Outlet Terraces” by B. M. McEnroe, J. M. Steichen, and R. L. Schweiger.

Dow Outstanding Young Faculty Award, 1989, from Midwest Section, American Society for Engineering Education.

Publications

Book Chapters

McEnroe, B. M., “Hydraulics of Leachate Collection and Cover Drainage,” Chapter 6.2, *Landfilling of Waste: Barriers*, T. H. Christensen, R. Cossu, and R. Stegmann, ed., E & FN Spon (Chapman and Hall), London, U.K., 1994.

McEnroe, B. M., “Chapter 5: Hydrology and Introduction to Water Quality,” *Design and Construction of Urban Stormwater Management Systems*, Manuals and Reports on Engineering Practice No. 77, American Society of Civil Engineers, 1993.

Papers and Discussions

Grants and Contracts Received:

- “Estimating Design Discharges for Drainage Structures in Western Kansas,” Kansas Department of Transportation, principal investigator, 10/11-10/12, \$56,000.
- “Workshop on Natural Stream Design,” Kansas Department of Transportation, co-principal investigator, 3/11-11/11, \$10,000.
- “Calibration of Hydrologic Design Inputs for a Small Urban Watershed,” City of Overland Park, Kansas, principal investigator, 10/10-9/11, \$65,000.
- “Sediment Baseline Research Methodologies,” Kansas Water Resources Institute, co-principal investigator, 3/09-2/11, \$157,224.
- “Reference Reach Methods for Stream Realignment Design,” Kansas Department of Transportation, co-principal investigator, 9/08-9/09, \$50,000.
- “Development of Guidelines for Stream Realignment Design, Kansas Department of Transportation, principal investigator, 9/07-9/08, \$50,000.
- “Development of Guidelines for Continuous Simulation of Streamflow in Johnson County,” Johnson County Public Works, Stormwater Management Program, principal investigator, 5/07-2/08, \$50,000.
- “Hydraulic Resistance of Small-Diameter Helically Corrugated Metal Pipe,” Kansas Department of Transportation, principal investigator, 5/06-5/07, \$35,000.
- “A Calibrated Rational Method for Larger Watersheds,” Kansas Department of Transportation, principal investigator, 8/05-11/06, \$40,000.
- “History of Criteria and Methods for Sizing of Culverts and Bridge Openings,” Kansas Department of Transportation, principal investigator, 8/04-8/05, \$30,000.
- “Downstream Effects of Enlarged Waterway Openings,” Kansas Department of Transportation, principal investigator, 7/03-9/04, \$30,000.
- “Storage Considerations in Culvert Sizing,” Kansas Department of Transportation, principal investigator, 7/03-9/04, \$30,000.
- “Storm Durations and Antecedent Conditions for Flood Discharge Estimation,” Kansas Department of Transportation, principal investigator, 5/01-7/02, \$40,000.
- “Revised Precipitation Frequency Estimates for the Kansas City Metropolitan Area,” Kansas City Metropolitan Chapter, American Public Works Association, co-principal investigator, 9/00-11/01, \$50,000.
- “Rainfall Analysis and Maintenance of Rainfall Data Archives,” Kansas Department of Transportation, principal investigator, 9/99-9/00, \$10,000.
- “Lag Times and Times of Concentration for Urban Watersheds in Eastern Kansas,” Kansas Department of Transportation, principal investigator, 5/99-8/00, \$35,000.
- “Hydraulic Performance of KDOT Curb and Gutter Inlets,” Kansas Department of Transportation, principal investigator, 5/98-9/99, \$35,000.
- “Use of KDOT Storm Analysis System to Improve Flood Discharge Estimates,” Kansas Department of Transportation, principal investigator, 7/97-9/98, \$30,000.
- “Hydraulic Testing of Improved Curb Inlets,” City of Leawood, Kansas, and Kansas Department of Transportation, principal investigator, 5/97-4/98, \$20,000.
- “Performance of KDOT Temporary Erosion Control Measures,” Kansas Department of Transportation, principal investigator, 5/96-1/98, \$35,000.

“Utilization of Precipitation Estimates Derived from Composite Radar,” Kansas Department of Transportation, principal investigator, 5/95-5/97, \$49,900.

“Hydraulic Testing of Curb Inlets,” Cities of Overland Park, Olathe, Lenexa, and Shawnee, Kansas, principal investigator, 1/95-5/95, \$15,030.

“Hydraulic Characteristics of KDOT Flume Inlets,” Kansas Department of Transportation, principal investigator, 5/94-1/95, \$29,500.

“Development of Hydraulic Design Charts for Type I and Type III Metal and Concrete End Sections for Pipe Culverts,” Kansas Department of Transportation, principal investigator, 6/93-6/94, \$19,900.

“Development of a Scour Evaluation Program for Kansas Bridges--Phase V,” A. D. Parr (principal investigator) and B. M. McEnroe (co-principal investigator), Kansas Department of Transportation, 5/93-12/93, \$62,400.

“Analysis of Pavement Subdrainage by Continuous Simulation,” Kansas Department of Transportation, principal investigator, 6/92-8/93, \$29,500.

“Rainfall Inputs for Simulation of Design Floods for Kansas Streams,” Kansas Department of Transportation, principal investigator, 6/92-8/93, \$29,500.

“Development of Hydraulic Design Charts for Type IV End Sections for Pipe Culverts,” Kansas Department of Transportation, principal investigator (A. D. Parr, co-investigator), 6/92-7/93, \$29,000.

“Evaluation and Updating of Hydrologic Analysis Procedures Used by KDOT,” Kansas Department of Transportation, principal investigator, 6/91-7/92, \$35,236.

“Research on Water Systems Operations,” Water District No. 1 of Johnson County, Kansas, principal investigator, 1/90-12/90, \$28,226.

Contract with U. S. Army Engineer Waterways Experiment Station, to develop Army-wide standards for field testing of water mains to determine internal roughness, 6/89-8/89, \$13,687.

“Fully Transient Modeling of Landfill Drainage,” Graduate Research Fund, University of Kansas, principal investigator, 7/89-6/90, \$5,566.

Contract with U.S. Army Engineer Waterways Experiment Station to prepare report “Dye Tracer Study at the Saginaw Bay, Michigan, Confined Disposal Facility,” 8/88, \$2,400.

“Hydraulic Performance of Cover Systems for Municipal Solid-Waste Landfills,” New Faculty General Research Program, University of Kansas, principal investigator, 7/88-6/89, \$5,000.

“Infiltration and Runoff Volumes from Rainfall Events,” Kansas Water Resources Research Institute, principal investigator, 4/87-3/88, \$9,151.

Contract with U.S. Army Engineer Waterways Experiment Station, to assist with development of HELP (Hydrologic Evaluation of Landfill Performance) computer model for U.S. Environmental Protection Agency, 5/86-7/87, \$27,946.

“Stormwater Management in Kansas,” Kansas Water Resources Research Institute, co-principal investigator, 9/84-8/85, \$15,000.

“Development of a Residential Water Conservation Module,” Kansas Water Resources Research Institute, co-principal investigator, 9/84-8/85, \$15,000.

Courses Taught:

Water Resources Engineering Design (undergraduate)
Hydrology (undergraduate)
Fluid Mechanics (undergraduate)
Watershed Hydrology (graduate)
Free Surface Flow I (graduate)
Pipe-Flow Systems (graduate)
Urban Hydrology and Stormwater Management (graduate)
Hydraulic Engineering (undergraduate, KSU)
Hydrologic Methods Laboratory (undergraduate, KSU)
Open Channel Flow (graduate, KSU)
Analysis of Groundwater Flow (graduate, KSU)
Water Distribution and Wastewater Collection (graduate, KSU)

Short Courses Taught:

“Hydrologic Data Resources for Engineers,” KU Professional Development Series, 5/11
“Channel Design for Stream Restoration and Stormwater Projects,” KU Professional Development Series, 5/09
“Hydrologic Design of Bridges and Culverts,” KU Professional Development Series, 4/07
“Hydraulic Analysis of Pumping Systems,” KU Professional Development Series, 4/05
“Flowmeter Operator Certification Course” for Kansa Department of Agriculture, Division of Water Resources, 2/04 and 4/04
“Urban Hydrology for the Kansas City Area,” KU Professional Development Series, 5/03
“Hydrologic Modeling for Flood Studies,” KU Professional Development Series, 10/00
“Stormwater and Flood Analysis Using HEC-1,” one-day course offered through KU Continuing Education, Kansas City, 5/95
“Stormwater and Floodplain Analysis Using HEC-1 and HEC-2,” with A. D. Parr, three-day course offered through KU Continuing Education, 5/90, 1/91, 5/91, 8/92, and 5/93
“Hydrologic Analysis of Landfill Performance,” one-day course sponsored by Water Resources Associates, Phoenix, 12/90
“Floodplain Analysis: Hydrology and Hydraulics,” with A. D. Parr, three-day course offered through KU Continuing Education, 5/89

Professional Societies and Service:

President, Kansas Section, American Society of Civil Engineers (ASCE), 1996-97
Member, Urban Water Resources Research Council, ASCE, 1987-present
Member, K-TRAN Research Technical Committee, KDOT, 2002-present
Member, Subsurface Drainage Committee, Transportation Research Board, 1994-1998
Panelist, National Science Foundation Graduate Fellowship Review Panel, 1992-95
Member, Traffic Safety Commission, City of Lawrence, 1994-1996
Member, Stormwater Management Task Force, City of Lawrence, 1993
Faculty Advisor, Student Chapter ASCE, Kansas State University, 1983-1987
Reviewer, *Journal of Hydrologic Engineering*

Reviewer, *Journal of Hydrology*
Reviewer, *Journal of Hydraulic Engineering*
Reviewer, *Journal of Environmental Engineering*
Reviewer, *Transportation Research Record*
Reviewer, *Journal of Irrigation and Drainage Engineering*
Reviewer, *Water Research*

University Service:

Associate Department Chair, 2010-present
Director of Graduate Studies, CEAE Department, 2003-present
KU Coordinator, K-TRAN Research Program, 2003-2010
Member, KU Partners in Teaching Excellence, 2010-present
Chair, KU Committee on New Degrees and Degree Program Changes, 2006-2008
Member, KU Committee on New Degrees and Degree Program Changes, 2003-2008
Member, KU Graduate Council, 2003-present
Chair, Curriculum Committee, CEAE Department, 2002-2003
Member, Promotion and Tenure Committee, School of Engineering, 1998-99
Member, Sabbatical Leave Committee, School of Engineering, 2000-01
Member, Academic Standards Committee, School of Engineering, 1996-98
Editor, *Civil Engineering News* (biannual newsletter for alumni), 1994-1999
Member, Engineering Senate Executive Committee, 1988-91
Chair, Engineering Senate Executive Committee, 1990-91
Secretary, Engineering Senate, 1988-89
